Subject: Yucca Mtn. Opposition

Part of Records Package / Supplement / Correction

Dear Ms Hanlon,
I am joined in opposition together with others sending you tediously long , but well reasoned, letters. My special concerns are with the abbreviated public comment, unresponsiveness to received comments, and failure to distribute impact reports in sufficient time for public evaluation. Surely the potential for irreparable harm to the environment deserves meticulous attention to the procedures established by law.
sincerely yours,
William A Zschaler
